

How to Register for Access to the CMS Enterprise portal

The Centers for Medicare & Medicaid Services (CMS) established the Enterprise Identity Management (EIDM) website as a means for providers to obtain access to several CMS applications. The Provider Statistical & Reimbursement (PS&R) is one such application. Each provider must enroll in EIDM. An officer or person from each provider will Create an EIDM account and Request access to the PS&R.

The following is information on creating EIDM accounts and requesting PS&R access. If there are questions or issues, the help desk for EIDM can be reached at **866-484-8049** (press **2**). As well, the **EIDM User Guide**, provides more information and can be obtained from the cms.gov website (enter “EIDM User Guide” in the search box).

Underneath these fields is a checkbox labeled 'Agree to our Terms & Conditions'. A green 'Login' button is positioned below the checkbox. At the bottom of the login section, there is a link: 'Forgot your User ID or your Password?'. Below the login section is a separate dark blue box containing a blue 'New User Registration' button. WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 81-0887890. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

| Form 941 | 04/30/1992 |
| Form 940 | 01/31/1993 |

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes*. If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.
